PROJECT DESCRIPTION

Khidhumaiy Organization is thrilled to unveil an ambitious Sadaqah Jaariyah project, dedicated to building Masjids in Bangladesh and Tanzania. Guided by the principles of Islamic philanthropy, we embark on this endeavor with the firm belief that these Masjids will serve as everlasting sources of blessings and benefit for the communities they serve.

In collaboration with esteemed international NGOs based in Bangladesh and Tanzania, we are committed to ensuring the successful completion of these projects. By harnessing our collective expertise, resources, and networks, we will overcome challenges and deliver high-quality Masjids that meet the diverse needs of local populations.

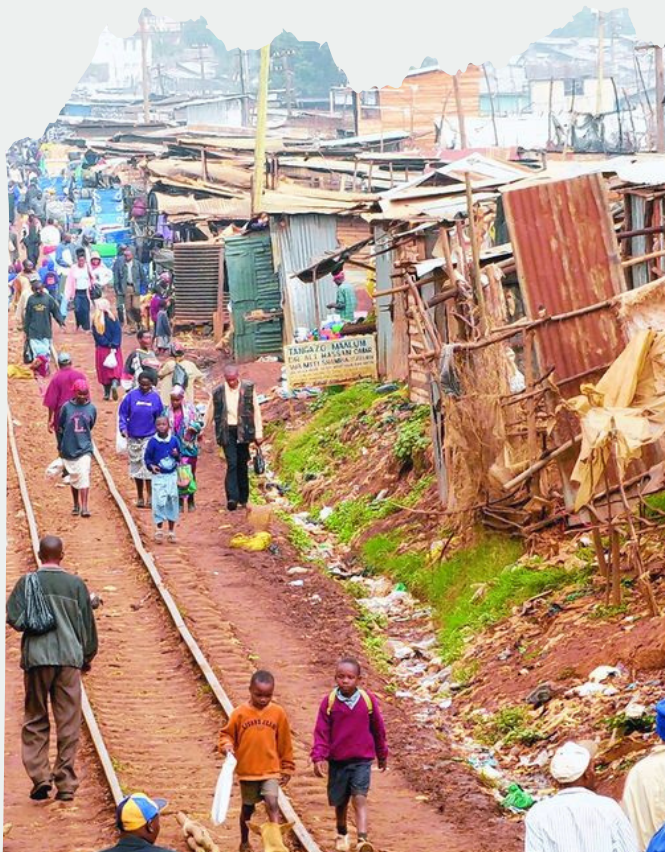

Prophet Muhammad (peace be upon him) emphasized the importance of constructing Masjids in a hadith: "Whoever builds a mosque for Allah, then Allah will build for him a house like it in Paradise." This prophetic tradition underscores the immense reward and significance attached to the construction of Masjids in Islam.

As we embark on this noble endeavor, let us heed the words of our beloved Prophet and strive to leave a legacy of faith, unity, and compassion in the communities we serve. Together, let us build Masjids that not only stand as symbols of worship but also as beacons of hope and enlightenment for generations to come.

BENEFICIARIES

Bangladesh:

With a population exceeding 160 million, Bangladesh grapples with poverty, with approximately 20% of its population living below the poverty line. The Muslim majority, representing over 90% of the populace, includes Rohingya refugees in Cox's Bazar, who are in desperate need of community support. By erecting Masjids in the Rohingya camp area, Khidhumaiy Organization aims to provide essential spaces for worship, community empowerment, and educational programs to uplift these marginalized populations.

Tanzania:

Tanzania, with a population of approximately 61 million, boasts a growing Muslim community, constituting around 35% of the total population. Cities like Dodoma and Dar es Salaam witness a significant influx of Muslims, yet access to Islamic infrastructure remains limited, particularly in rural areas where poverty persists. Through the construction of Masjids, Khidhumaiy Organization endeavors to bridge this gap, offering vital spaces for worship, education, and community engagement. This initiative aims to promote unity, empowerment, and spiritual well-being among Tanzanian Muslims.

GOALS TO BE ACHIEVED

Facilitating Religious Worship

The primary goal is to provide dedicated spaces for Muslims to perform their religious obligations, fostering a stronger connection to their faith and community. By constructing Masjids equipped with modern facilities and amenities, we aim to create sacred spaces that facilitate congregational prayers, Quranic recitations, and religious gatherings. These Masjids will not only serve as places of worship but also as centers for spiritual enlightenment, where individuals can seek guidance, solace, and renewal of faith.

Educational Empowerment

Another significant goal is to promote educational empowerment by establishing Quran memorization classes, religious lectures, and educational programs within the Masjids. These initiatives aim to cultivate a deeper understanding of Islamic principles, teachings, and values among community members, fostering personal growth and intellectual development. By providing access to free Islamic knowledge and resources, we aspire to empower individuals to pursue lifelong learning, strengthen their faith, and become active contributors to their communities.

Community Development

The construction of Masjids serves as a catalyst for community development, promoting social cohesion, and unity. By creating inclusive spaces that bring together people from diverse backgrounds, we aim to foster a sense of belonging and mutual support within the community. Additionally, the Masjids will serve as platforms for various social and humanitarian initiatives, including outreach programs, health clinics, and vocational training workshops, aimed at addressing the needs of the underserved and marginalized segments of society.

In summary, the goals of the project are multifaceted, encompassing religious, educational, community development, and economic empowerment objectives. Through collaborative efforts and holistic approaches, we aspire to create lasting positive impacts that uplift individuals and communities, fostering a brighter and more prosperous future for all.

PROPOSED BUDGET

MASJIDS IN TANZANIA

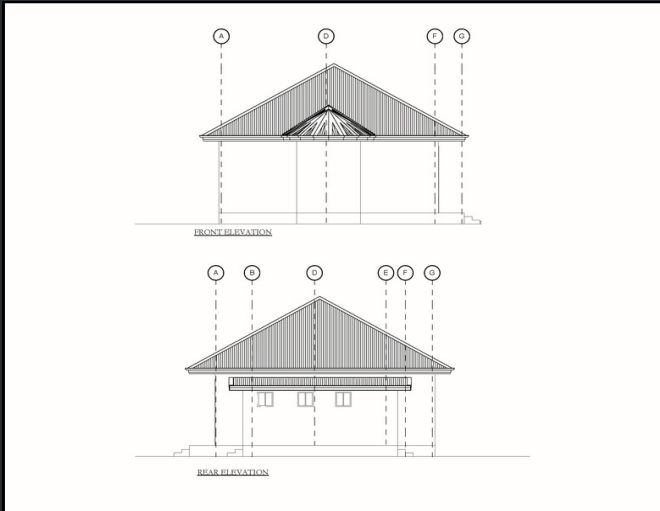

Masjid Name	Square Footage	Bathrooms	Capacity	Budget (MVR)
Masjid Ikhlaas	1000	3	200+	335,000
Masjid Ta'awun	3500	6	450+	597,000

MASJIDS IN BANGLADESH

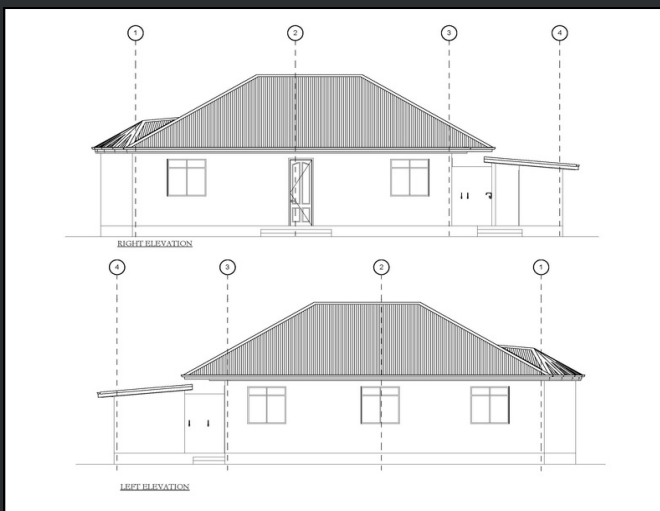

Masjid Name	Square Footage	Bathrooms	Capacity	Budget (MVR)
Masjid Taqwa	1644	3	300+	395,000
Masjid Tawhid	1644	3	300+	395,000
Maldives Masjid Madrasa Complex 3rd & 4th Flr Construction and Finishing	2200	2	1000+	495,000

CONCEPT DESIGNS

ARCHITECTURAL DESIGN

The architectural design of each Masjid will blend traditional Islamic aesthetics with contemporary functionality, ensuring a serene and welcoming environment for worshippers. Emphasis will be placed on utilizing sustainable materials and energy-efficient practices to minimize environmental impact.

IMPACT ON SOCIETY

Empowering Communities through Education

Establishing Quran memorization classes and educational programs within the Masjids will empower individuals, particularly in impoverished areas like the Rohingya camps in Bangladesh and marginalized communities in Tanzania. Access to religious education fosters spiritual growth and equips individuals with knowledge to uplift themselves and their communities.

Promoting Islamic Awareness and Dawah

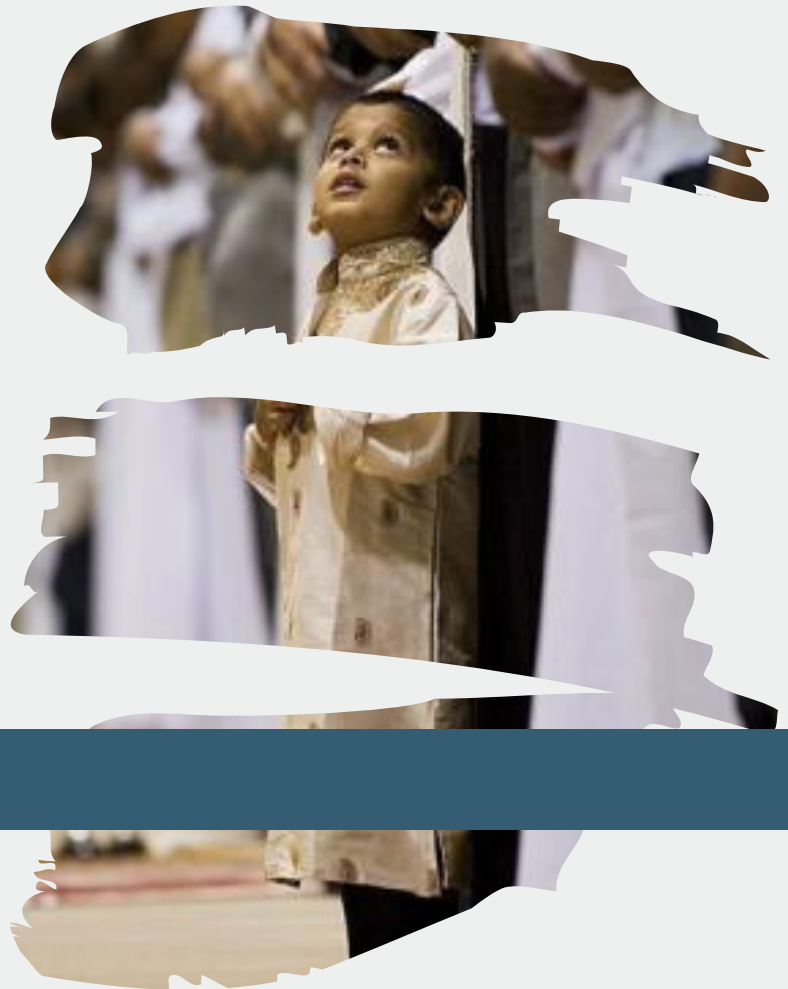

Establishing Quran memorization classes and educational programs within the Masjids will empower individuals, particularly in impoverished areas like the Rohingya camps in Bangladesh and marginalized communities in Tanzania. Access to religious education fosters spiritual growth and equips individuals with knowledge to uplift themselves and their communities.

Fostering Social Cohesion and Unity

The Masjids will serve as inclusive spaces, fostering bonds of brotherhood and sisterhood, especially in regions plagued by poverty and socio-economic disparities. Through collective worship and social events, the Masjids will strengthen social cohesion and promote tolerance.

Alleviating Spiritual and Emotional Strain

For displaced populations like the Rohingya refugees and marginalized communities in Tanzania, the Masjids will offer solace and spiritual refuge. Prayer, reflection, and communal support provided by the Masjids will serve as sources of comfort and hope.

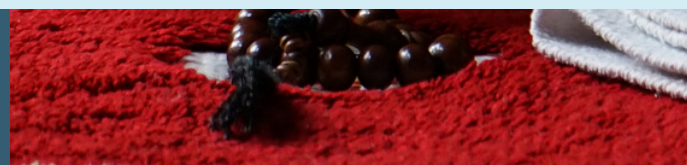

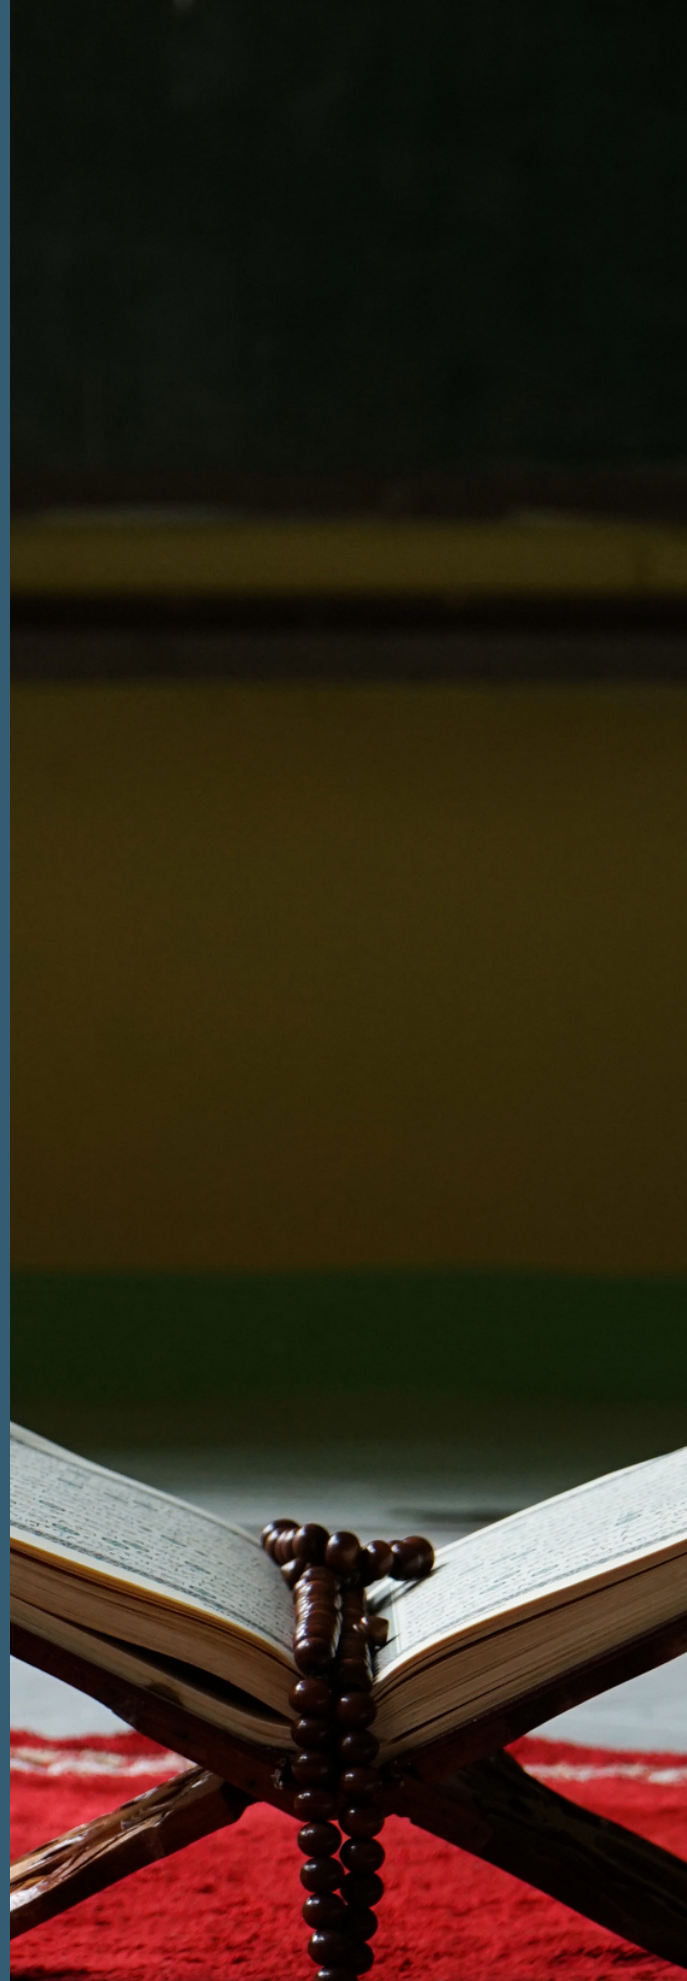

CONCLUSION

In conclusion, the construction of Masjids in Bangladesh and Tanzania through Khidhuma'iy Organization's Sadaqah Jaariyah project is a transformative endeavor. These Masjids address spiritual, educational, and social needs, empowering individuals and fostering unity.

Through Quran memorization classes and social initiatives, the Masjids uplift communities, breaking cycles of poverty. They also provide solace for displaced populations and marginalized communities.

Moreover, the Masjids promote Islamic awareness and tolerance, spreading the message of Islam. By providing free access to Islamic knowledge, they enrich individuals spiritually and empower communities.

In essence, these Masjids signify Khidhuma'iy Organization's commitment to humanitarianism and faith-based initiatives. They leave a lasting legacy of positive change, promoting peace, unity, and cooperation in Bangladesh, Tanzania, and beyond.

ABOUT US

KHIDHUMAIY

Khidhumaiy ORG, headquartered in the Maldives, is a global humanitarian organization dedicated to alleviating poverty and suffering while promoting Islamic values. Beyond traditional aid, it aims to foster a deep understanding of Islam's core principles, believing that by embodying compassion, justice, and solidarity, it contributes to building a more equitable global community.

Mission:

1. Responds to Emergencies:
 - Provides timely relief, embodying Islamic compassion and serving as a beacon of hope.
2. Promotes Integrated Development and Environmental Stewardship:
 - Champions sustainable development rooted in Islamic values for long-term community well-being.
3. Addresses Root Causes of Poverty:
 - Advocates for marginalized individuals, aligning efforts with Islamic principles of justice to uplift communities and break the cycle of poverty.

Vision:

Khidhumaiy ORG envisions a world where empowered communities, guided by Islamic teachings, collectively address suffering through humanitarian outreach.
